

*****CEMETERY GROUNDS CLEAN OFF, TUESDAY, JUNE 5TH*****

The city council and mayor would like to thank everyone who visited the cemetery over the Memorial Day weekend and helped honor those that have passed on and to make the grounds come alive with color.

The staff and some volunteers will start cleaning off the graves Tuesday, June 5th.

We suggest you remove "ALL" items that you consider of value or want to keep.

This includes items that are allowed on the graves throughout the year. The reason we request all items are removed is we have a significant number of volunteers who are coming to help with the clean off process.

The volunteers are informed what to remove and what to leave by the staff but in some instances, unintentionally, they throw away/remove items that families would like to keep.

You are more than welcome to return the year round items any time after Monday, June 11th so we have a week to mow and work on the grounds.

We are very thankful for the volunteers as there are several thousand graves we have to maintain and the time spent by the volunteers is invaluable.

We appreciate your cooperation in this matter.

Sincerely, the City Council and Mayor
