Comcast Cares Day

EVERYONE’S INVITED
SATURDAY APRIL 30

7-8 a.m.: Registration & wristband pickup at Smithfield Rec Center. Free T-shirt & light breakfast.

8 a.m.-Noon: Work on service projects

After service: Free pizza lunch at the Rec Center

Noon-3 p.m.: One Big Family Apparel Swap

*** IT IS ESSENTIAL YOU PICK UP YOUR WRISTBAND***

Please join us on Saturday, April 30, for a citywide day of service in conjunction with Comcast Cares Day. Last year 1,500 volunteers participated to help us raise funds for our new public library addition. Comcast offered a monetary grant for each volunteer. The city received over $28,800, plus Comcast donated $4,000 in supplies. Taxpayers also greatly benefited, as volunteers accomplished a lot of work normally done by city paid workers.

We’re happy to say that Comcast has partnered with us to bring back the event this year. Pre-register now by following the instructions on the enclosed flyer, then on April 30, pick up your T-shirt and wristband at the Rec Center (on the southeast end of the Sky View campus at 315 E. 600 South). Your wristband is your meal ticket for the pizza lunch and allows entry into the swap meet described below. Comcast calculates the grant award amount by how many people register and pick up their wristbands, so in addition to your service, your registration and participation will monetarily benefit our city.

Online registration is quick and easy, or you can turn in a hard copy registration form to City Hall. Additional registration forms are available there if needed. Register your whole family, as even the youngest and oldest members are welcome and the city will receive a grant award for their participation. Seriously — even babies are counted! Pre-registration also helps us have T-shirts in the right sizes and enough food for everyone.

SOMETHING OLD, SOMETHING NEW

One less orthodox but very important way to serve your community is by improving your own household’s emergency preparedness. Last year we assembled and distributed emergency preparedness packets to every household. This year we will have additional information for you to add to your packet. Information to help you continue your emergency preparation will be available at the Rec Center registration site. Please stop by and get valuable help with water storage and purification, 96-hour kits, sheltering in place and more.

More traditional service projects all around the city on April 30 will improve our cemetery, parks, schools and local organizations like Smithfield Children’s Theater and The Family Place. Several Eagle Scout projects will also need your help.

We’re determined to make Comcast Cares Day a success come rain or shine. We have plenty of indoor projects if there are April showers, so don’t let anything stop you from coming. If you only have a short time you can serve, that’s OK; you don’t have to stay the whole time. We have projects for all ages and abilities, and everyone is needed!

PLEASE NOTE

An exciting new activity this year will be our One Big Family Apparel Swap. As you do your spring cleaning, please save any gently used clothing or shoes to bring with you to our service day. These items can have a new home with someone else in our big Smithfield family. No money will be exchanged. Just bring your clothes washed and folded or on hangers to the Rec Center registration. You will be directed where to take your items and then after lunch, your wristband will allow you to come back to the swap site and see if there are items there your family could use. The Swap will be open from lunch to 3 p.m. After that, all items will be donated to Somebody’s Attic Too. They enthusiastically endorse this service project and all proceeds from the sale of the remaining items will go to Smithfield’s local organization, The Family Place. We want to share nice, usable apparel items so members of our Big Smithfield Family can save on their clothing budgets, freeing up money for emergency funds and reducing debt, all things which help us have stable, secure, happy families.

LOOK IN, REACH OUT, LIFT UP

Starting now, please look in your own household and see what you can do to serve our city by preparing for emergencies, maintaining a safe and neat yard, and being self-reliant.

Look for nice, usable items you can bring with you to the Rec Center registration to reach out to your city neighbors and share your abundance. Reach out and invite your friends and neighbors to join you on Saturday, April 30.

Together during Comcast Cares Day, we can lift up our whole community. We can be more prepared for emergencies, making Smithfield a safer place. We can reach out to our neighbors, having fun working and sharing a day of service, making Smithfield a friendlier place. We can improve and beautify our city, keeping Smithfield the prettiest place in the world to live.

KINDERGARTEN REGISTRATION

Kindergarten registration for the 2016 - 17 school year will be held on Wednesday, March 16th from 8 a.m. – 3 p.m. and Thursday, March 17th from 12 p.m. - 6:30 p.m. Please bring your child to the registration with you as a pre-kindergarten assessment will be administered.

It is REQUIRED to register your child to bring the following 5 things:

• Your child’s official birth certificate
• Immunizations (We cannot place your child if they do not have their 4-6 year old immunizations.)
• Parent Driver’s License
• Copy of recent utility bill with current address
• Copy of recent mortgage payment or rental agreement with current address.

You will NOT be able to register your child without these documents. Contact the health department or your doctor to make sure records are current. Your child must have had all of their 4-6 year old immunizations and vaccines before registration. We also ask for a $30 donation to cover the cost of field trips, food experiences and special projects that your child will enjoy throughout the kindergarten year.

If you don’t know which school your child will be attending, you can locate the school boundaries at www.ccsdut.org – bus stops/boundaries (under quicklinks) – cache school boundaries and bus stops.

If you have any questions, you may contact Birch Creek Elementary at 435-792-7692, Summit Elementary at 435-563-6269 or Sunrise Elementary at 435-563-3866. We look forward to seeing you there!
