## MESSAGE FROM THE CITY COUNCIL

Citizens of Smithfield:

I want to start my first newsletter article with a thank you to all of you for putting your trust in me as your newest city councilman. I want to thank the city employees for their warm welcome and willingness to assist me. We are fortunate to have exceptional Smithfield City employees who are knowledgeable and dedicated to making our city operations run smoothly. I am impressed with their professionalism and knowledge. I have appreciated the opportunity to serve on the planning and zoning commission for the past 18 months prior to becoming a city councilman. That experience has made the learning curve much easier.

The responsibilities assigned to me by the Mayor are to work with and support the Smithfield Chamber of Commerce, to attend all Planning and Zoning meetings representing the City Council and to work with the Cache Valley Transit Authority on any questions from their committee.

I have also been given a temporary assignment from Mayor Simmons to serve on the committee that is gathering information and working with the selected civil engineering company to update the Smithfield City Master Plan. We are several months away from making it available for citizen comments. The new plan will give the city an added direction for the next few years. Topics being addressed include:

- Walking and Biking Trails
- Future Parks
- Annexation of Future Property
- Commercial & Manufacturing Zones

You may have noticed an article in our local newspaper about Jon Cheatham and his Eagle Scout project for the Smithfield City Veterans' Memorial. Jon is trying to raise \$10,000.00 to construct a veteran's memorial in Smithfield. Jon and his troop have gone door to door

collecting donations, he had a booth at Smithfield Health Days and I noticed him Saturday July 16th at 8:00 AM in front of Lee's Marketplace in full Scout uniform handing out information about the Veteran's Memorial and how to donate to his project. He has currently raised approximately \$7,500.00.

Members of the city council have been impressed with this young man and his dedication to this project and feel that it will be a worthwhile addition to our community. Donations are being accepted at the Smithfield City Office at 96 South Main. Please make checks payable to Smithfield City and include Veteran's Memorial on the memo line of your check or make an online donation at: [www.gofundme.com/joncheatham](http://www.gofundme.com/joncheatham)

Thank you again for giving me the opportunity to serve on the Smithfield City Council.
