Board Meeting Minutes 12 July 2018

1. Minutes from the May 2018 meeting were read.
2. The committee elected Rebecca Beale to be the tree committee chairperson.
3. Ben Harris who completed the city tree inventory and the tree management plan showed us how to maneuver through the inventory program. It will be important as we move forward to update the inventory each year. Many trees have been planted this year in parks, etc and need to be added to our inventory.
4. Jeff is assigned to determine which three trees were purchased for health days and send an email to the committee and then the committee will decide where to plant them in the city.
5. Each committee member was assigned to email Jeff and give him suggestions on what trees would be a good recommendation to replace the Lindon trees at 127 East 200 North.
6. Jeff is assigned to contact Zollinger's tree farm to find out availability of a Yellow Wood, Tricolor Beech and Royal Rain Drops for the memorial park to be planted this fall.
