

August 31, 2018

On the US-91 repaving project from 1000 North in Logan to 900 South in Smithfield, crews will not work over the Labor Day holiday. The intersections of 4200 North and 4400 North are now open. Work will resume Tuesday, September 4. Main Street will be reduced to one lane in each direction from 9 p.m. to 7 a.m. through Thursday for concrete work and final paving. Motorists should expect narrowed lanes and moderate travel delays. Access to area businesses will remain open during the day. This work will continue through mid-September 2018. Contact the project hotline, 877-495-4240 or email us91logan@utah.gov for more information.
