

September 14, 2018

Dear Stakeholder,

Below is a summary of the upcoming work on US-91 from 1000 North in Logan to 900 South in Smithfield.

*Roadway Work*

Main Street will continue to be reduced to one lane in each direction from 9 p.m. to 7 a.m. for concrete work as crews finish replacing various sections of curb, gutter, drain boxes and other utility accesses on the west side of the road. Motorists should expect moderate travel delays. Once concrete work is complete, crews will finish all project clean up and place the final lane markings.

This work will continue through September 2018. Contact the project hotline at 877-495-4240 or email [us91logan@utah.gov](mailto:us91logan@utah.gov) for more information.
