

August at the Smithfield Library

Thank you to everyone who spent time with the library this summer!

Whether you signed-up for a summer reading challenge, came for a library program, borrowed a hotspot for a family vacation or spent some time enjoying the air conditioning... we are so grateful that you made us part of your summer. Our preliminary data is showing that more than 620 kids read for at least 100 minutes this summer and over 320 completed the reading challenge and read for 600+ minutes. Great job kids! We had over 300 teens & adults take on reading challenges and earned 1000+ tickets for prizes in our summer reading drawings. There were 68 programs at the library for kids, teens & adults and we loved having you participate! We want to thank all our amazing sponsors without which we couldn't have had such a successful summer. For those who have entered our reading drawings, we'll be live-streaming the prize draws on Facebook on Tuesday, August 1st. Adults in the morning and teens in the afternoon. Good luck to you all! The library staff is working on creating exciting fall programming and we hope to continue to see you in the library!

THANK YOU TO OUR SUMMER SPONSORS!
