## Welcome to the Smithfield Public Library

For many, a new year symbolizes a fresh beginning — a time of resolutions, commitments and enthusiasm. For the Smithfield Library, the new year is an exciting time for our future, and today we are proud to announce our new Mission and Vision statements, which will guide the continued development of our library

### Our Mission Statement

The Smithfield Public Library’s mission is to provide open access to a broad range of materials, programs and services for people of all ages and backgrounds.

### Our Value Statement

We are the welcoming heart of our community where all come to learn, discover, create and connect.

We invite you to visit the library and see what we have to offer. We also want to hear from you... tell us what you want the library to be for you and your family.
