

Smithfield Library

Summer Reading 2023

School is out and the library is excited to be a part of your summer plans. Our summer reading theme, "All Together Now", embraces community & partnerships, both of which the library is actively expanding its current role in. Our library staff has put together a summer calendar full of community building activities and beneficial partnerships and we want to see you here! So, visit the library or our [website](#) to get a summer reading chart. Begin reading to earn prizes and join us for any of our wonderful activities. Young & old(er), we have something for you at the library!

At the Library this June

Cache Valley Library's Library Hero of 2023

Did you know that our very own Miss Karen was named the CVLA Library Hero of 2023? Karen began working at the Smithfield Library 27 years ago when she was a student at USU. Over the years she has worked hard to create a fun & welcoming space at the library for children. Currently Karen is serving as both the children's librarian and interim library director in the library and has been making changes on how the library interacts with the public. We are glad to have her in our library and in our community.
