100 YEARS with the SMITHFIELD LIBRARY

Thank you to everyone who attended our 100th anniversary Open House in September. It was wonderful to see so many old and new friends celebrating with us. We still have 3 months of celebrating to do and invite you to come and add a memory to our time capsule. We'll be displaying these library memories in the upcoming months and then closing them away to be opened many years from now. Thank you to our Smithfield Community for your support over the years. We look forward to many more years of library service!

Patrons using the Overdrive app to access digital library items need to make the switch to the Libby app. The Overdrive app will be discontinued in early 2023. Need help making the switch? Bring your device to the library and we'd be happy to help!
